The Offering Supplement constitutes an offer of Investor Shares in the Sub-Fund which is comprised of four (4) classes of Investor Shares, the Class A Shares, the Class B Shares, the Class C Shares and the Class D Shares.

The offering of the Investor Shares at the Initial Offering Price opened on the date of this Offering Supplement and closes on the Closing Date. The Company shall issue Investor Shares in connection with appropriately completed Subscription Applications received during the Initial Offering Period, on the Business Day following the Closing Date. The Company is entitled to close the Initial Offering Period at any time prior to the Closing Date or to extend it beyond the Closing Date and this at its sole discretion.

During the Offering Period, the offer will be for Investor Shares at the Offering Price applicable on the relevant Subscription Day.

Purchase, Transfer and Exchange of Shares

Investor Shares can be purchased at the prevailing Subscription Price, by submission to the Company at the office of the Administrator of the relevant and properly completed Subscription Application prior to the cut off time for receipt of applications for the relevant Share Class.

If the Subscription Application is not received as required, then the Subscription Application may be rejected or held over until the next Subscription Day at the discretion of the Company. In the event that an application is rejected, any application monies received will be returned without interest by telegraphic transfer to the remitting bank at the discretion of the Company at the risk and expense of the Subscriber. Subject to the satisfaction of the requirements set out above, Investor Shares shall be issued to successful Subscribers on the relevant Subscription Day.

No application will be capable of withdrawal after acceptance by the Administrator, unless such withdrawal is approved by the Directors acting in their absolute discretion. In such circumstances, the Company may charge the Subscriber for any expense incurred by the Company and for any loss to the Sub-Fund arising out of such withdrawal.

The Administrator will generally issue written confirmation of ownership to a Shareholder within five (5) Business Days after the applicable Subscription Day.

Payment should be effected as described in the Payment Forms which are available from the Investment Manager and/or the Administrator. At the Company's discretion, payments may be accepted other than in cash. All payments for Investor Shares must be made in the base currency of that class of Investor Shares and be received in Cleared Funds in any event before 17.00 (CET) on the relevant Settlement Date.

Any applicable bank charges will be borne by the Subscriber.

If payment in full in Cleared Funds in respect of an application has not been received by the relevant Settlement Date or in the event of non-clearance, any allotment or issue of Shares made in respect of such application shall be cancelled and the Directors may charge the Subscriber for any expense incurred by the Company and for any loss to the Sub-Fund arising out of such non-receipt or non-clearance. Monies returned will be at the risk and expense of the Subscriber.

Full details of the application and subscription process appear in the Section of the Prospectus entitled **“Purchase, Exchange and Transfer of Shares”**.

A Subscription Application and other related documentation will be provided upon request by the Administrator, the Investment Manager or by an Authorised Distributor.

Redemption of Shares

Investors are directed to the Prospectus where the procedures relating to the Redemption of Investor Shares and the conditions applicable thereto are outlined.

Investor Shares can be redeemed at the prevailing Redemption Price, by submission to the Company at the office of the Administrator of the relevant and properly completed Redemption Notice before the Redemption Notice Deadline. Redemption requests received after the cut off time for receipt of redemption requests will be processed on the following Redemption Day.

In terms of the Memorandum and Articles, redemption requests and/or exchange requests are, once made, irrevocable. A Redemption Notice if accepted by the Company will be effective as at the applicable Redemption Day. Investor Shares shall be cancelled on the relevant Redemption Day and Redemption requests will generally be settled within three (3) Business Days from the relevant Redemption Day.

Full details of the redemption process appear in the Section of the Prospectus entitled **“Redemption of Shares”**. A Redemption Notice and other related documentation will be provided upon request by the Administrator, the Investment Manager or by an Authorised Distributor.

Deferral of Redemption

The Directors may in their exclusive discretion limit the total amount of redemptions effected on any Redemption Day to 10% of the outstanding Investor Shares in the Sub-Fund on that day (in each case before processing request for the issue of the Investor Shares or requests for redemptions of such Investor Shares for such Redemption Day). In such circumstances the Company or its authorised agent may scale down pro rata the number of Investor Shares to be redeemed in response to each request for redemption to the extent necessary to ensure that the foregoing limit is not exceeded, and shall carry forward the balance for redemption as at the next Redemption Day and so on to each succeeding Redemption Day until each request has been complied with in full. Requests for redemption carried forward from an earlier Redemption Day shall have priority over later requests.

Risk Factors

Investors are directed to the Offering Memorandum where the risk factors applicable to investment in shares of the Company, including in Investor Shares, are explained.

Performance Fee

The Company will not adopt an equalisation methodology for the calculation of the Performance Fee due to the Investment Manager in respect of the Investor Shares. Shareholders may accordingly underpay/overpay any Performance Fee due to the Investment Manager when subscribing and / or redeeming their Investor Shares.

Below Investment-Grade Investments

The Sub-Fund may invest in private and government debt securities and instruments, which may be unrated or below investment grade. The issuers of such instruments may face significant on-going uncertainties and exposure to adverse conditions that may undermine the issuer's ability to make timely payment of interest and principal. Such instruments are regarded as predominantly speculative with respect to the issuer's capacity to pay interest and repay principal in accordance with the terms of the obligations and involve major risk exposure to adverse conditions. In addition, an economic recession could severely disrupt the market for most

of these securities and may have an adverse impact on the value of such instruments. It is also likely that any such economic downturn could adversely affect the ability of the issuers of such securities to repay principal and pay interest thereon and increase the incidence of default for such securities.

AN INVESTMENT IN THE THE SUB-FUND ENTAILS SUBSTANTIAL RISKS. MARKET RISKS ARE INHERENT IN ALL INVESTMENTS TO VARYING DEGREES. THE PRACTICES OF LEVERAGE CAN, IN CERTAIN CIRCUMSTANCES, INCREASE THE ADVERSE IMPACT TO WHICH THE SUB-FUND'S INVESTMENT PORTFOLIO MAY BE SUBJECT. NO ASSURANCE CAN BE GIVEN THAT THE SUB-FUND'S INVESTMENT OBJECTIVE WILL BE REALISED. AN INVESTOR MAY LOSE SOME OR ALL OF HIS INVESTMENT.

Pricing

The calculation of the NAV of the Sub-Fund and of the NAV per Share shall be effected by the Administrator as at the close of business on every Valuation Day on the basis of the closing prices on that day and in such manner as is stated in the Prospectus under the section entitled "**Net Asset Value Calculation**". The Offering Price will be available from the Administrator and will be published on the website of the Administrator.

Duration of the Sub-Fund

The Duration of the Sub-Fund and the Classes is indefinite.

FEES PAYABLE BY THE SUB-FUND

Investment Management Fee

The Company will pay the Investment Manager an Investment Management Fee of 1.4% per annum of the NAV in respect of the Class A and Class C Shares and 0.7% per annum of the NAV in respect of the Class B and Class D Shares. The Investment Management Fee will accrue on every Valuation Day and shall be payable monthly in arrears.

The Investment Manager will be reimbursed for all properly incurred and approved out-of-pocket expenses.

Performance Fee

The Investment Manager shall also receive from the Company in respect of the Sub-Fund a Performance Fee on the appreciation in the Gross Asset Value ("**GAV**") of the Sub-Fund over the previous High Watermark ("**HWM**") multiplied by the average number of Investor Shares in issue in the related class of Investor Shares from the end of the previous Calculation Period on which a Performance Fee was paid.

The Performance Fee in respect of each Calculation Period will be calculated by reference to the Net Asset Value ("**NAV**") before deduction for any accrued Performance Fee.

For each Calculation Period, a Performance Fee shall be payable in the amount of 20% in respect of each class of Investor Shares on the appreciation of the Sub-Fund's GAV over the previous HWM.

Once a Performance Fee has been paid, additional Performance Fees will be payable only once the Sub-Fund's GAV exceeds the new HWM. The HWM is the higher of: (a) the Initial Offering Price and (b) the highest NAV per Share on which a Performance Fee was paid.

The Performance Fee will be deemed to accrue as at each Valuation Day and shall be payable annually in arrears and normally within twenty (20) calendar days of the end of each Calculation Period.

The Company will not adopt an equalisation methodology for the calculation of the performance fee due to the Investment Manager. Shareholders may accordingly underpay / overpay any performance fee due to the Investment Manager when subscribing and/or redeeming their Investor Shares.
